CALENDARS

 **TRAINING TIPS**

1. Schedule these key calls into your calendar. People who are successful in this business get plugged in right away and are accountable to their business.
2. It is important to know that you might not see all of your profit in your first month of business. The key to success is consistency! If you stick to your business plan you will have 10 customers the following month averaging between \$750-1,200 gross profit and Distributors and Supervisors duplicating your plan that you will earn wholesale, royalties and bonuses on. Remember if you need more cash flow in your business - increase your retail sales!
